## Questions for Reflection

1. Read Romans 5:1-2. Tim listed four results that come from faith in Christ: Right with God; Peace with God; Live in Grace; and Hope in the Glory of God. Where does this passage point to each of these? How are each of them a different facet of our salvation? How do each of these give you encouragement today?
2. Read Romans 5:3-5 and then look at the diagram in the sermon notes for this passage. How is Faith in Christ the foundation for growing in hope? In light of this truth, how does this emphasize the importance of sharing the Good News with people today? In a time when people are struggling with hope, how can we point them to Christ?
3. Look at the progression in these verses: suffering -> endurance -> character -> hope. How have you seen God use this process in your life? How is He using it right now during this time of pandemic?
4. When you struggle with hope, how does reflecting on the Love of God help you? Knowing that God loved you so much that He sent Christ to die for you, can you trust Him that He is acting in love toward you today? How can you model that in your hope?
